

Robert H. Wilson

Resume

Career Summary

An industry recognized thought leader. Dynamic and motivated management professional with a proven record of generating and building relationships, managing projects from concept to completion, designing process solutions, and coaching individuals to success. Skilled in building cross-functional teams, demonstrating exceptional communication skills, and making critical decisions during challenges. Adaptable and transformational leader with an ability to work independently, creating effective presentations, and developing opportunities that further establish organizational goals.

Experience

May 2022 – Present

President | WorkCompCollege.com, LLC

Founding partner of revolutionary new virtual training system for the workers' compensation industry. System designed to provide "Whole Person Recovery Management" training and certification for professionals. Modeled after advocacy-based claims model, WorkCompCollege.com is the first official certification program to emphasize the "soft skills" of interpersonal management. In this position responsible for daily operations, technical development and website/school functionality. Work closely with partners and Board of Trustees to ensure accurate and reliable curriculum content.

September 1999 – June 2022

President & CEO | WorkersCompensation.com, LLC

Founding partner and primary architect for industry leading website and related information services. Developed mission and business plan as well as selected, developed and supervised staff. Supervises process protocols, standards and company systems. Responsible for ongoing direction and development of company products and services, with complete P&L accountability.

The company has pioneered innovative systems, including a legislative and regulatory compliance and research service, jurisdictional forms auto-population programs, and digitized claims kit distribution services.

Industry recognized writer, thought leader and Keynote presenter. Presented at over 200 workers' compensation educational conferences on improving claims management process and outcome through better communication and situational awareness. Has also presented on technology and future trends facing the industry.

Community Leadership

July 2019 – Present

Board of Directors | Kids' Chance of America, Inc.

December 2015 – Present

Founding Board Member, Past-President | Kids' Chance of Florida, Inc.

December 1999 – Present

Member, Past-President, Past-Chairman, Sertoma Club of Greater Sarasota
